Re: Application by Qwest Communications International, Inc. for Authorization to Provide In-Region, InterLATA Services in the state of Minnesota  
WC Docket No. 03-90

Dear Ms. Dortch:

On Tuesday, June 3, 2003, Robert Quinn and the undersigned, both of AT&T, met with Bill Maher, Carol Matthey, Bill Dever, Deena Shetler, and Gail Cohen of the Commission's Wireline Competition Bureau. During this meeting AT&T reiterated that Qwest's "secret deals" misconduct violates core nondiscrimination requirements of the competitive checklist and precludes any finding that granting Qwest's application is in the public interest. In addition to unfilled agreements, we also discussed billing completion notices, wholesale billing, terminating access, and reject rates.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez".
